Sororities and Fraternities

Panhellenic Council

Panhellenic Council is an advisory-governing body and the official spokesman for the six national sororities on the Tech campus.

Council membership consists of a senior delegate, a junior delegate, and president of each sorority. A rush chairman serves on the council during formal rush season.

Before the beginning of formal rush, the council holds an annual workshop for the purpose of adopting rushing rules and procedures. A Panhellenic convocation is designed to educate new members to the purposes of the Panhellenic Council and sororities. A formal tea officially opens the rushing season. An event each spring is the Greek Weekend activities in which the council directs sorority competition.

MARY TASSINSecretary

The Junior Panhellenic Council consists of the pledge president and one delegate from each sorority pledge class.

The purposes of Junior Panhellenic are to prepare an evaluation of the rushing season in which they have participated and to submit their report to the Senior Council. The Junior Panhellenic Council also serves to orientate new pledges to the organization and activities of the Senior Council, thus preparing them for future service.

Alpha Chi Omega

Beta Psi Chapter of Alpha Chi Omega was installed at Tech in 1944. The colors are scarlet and olive green, and the flower is the red carnation.

Beta Psi began the year with the annual house party and participated in rush, homecoming, and the Campus Carnival, which the Alpha Chi's won for the fourth consecutive year. Annual events are serenading the fraternity houses, active and pledge parties, Founders' Day, Hera Day, and the winter and spring formals.

Officers for the year were Deanna Davis, president; Bobbie Zeigler, first vice president; Nelwyn Pinson, second vice president; Sherry Eaglebarger, treasurer; Jane Ann Hudson, corresponding secretary; Marianne McFarland, recording secretary; and Carol Bolen, rush chairman.

Interfraternity Council

The Interfraternity Council serves to foster better relations between the fraternities at Tech, coordinating rush and joint projects by the fraternities, and also acting as the governing body for the Greek fraternity system.

In order to promote leadership and activity in all facets of campus life, the IFC undertakes many projects each year, foremost among them the Greek Weekend held each spring to bring together all social Greek organizations on campus. This activity, co-sponsored by the Panhellenic Council, gives each Greek group the chance to compete against others, while at the same time providing an atmosphere of fun and recreation.

Kappa Alpha

Kappa Alpha Order is unique in that it is a Southern fraternity. KA was founded in 1865 at Washington and Lee University, of which Robert Edward Lee was president.

The traditions of the Southern way of life are exemplified in the practice of Old South Weekend. The weekend consists of a decorating party, a hayride, a secession ceremony, a parade, and the delivery of invitations to the Old South Ball.

Kappa Alpha Order has active members in the Student Senate, Sigma Tau Delta, Omicron Delta Kappa, Delta Sigma Pi, Tau Beta Pi, and other campus organizations.

Officers for the year were William Bauer, president; Wayne Ford, vice president; Steve Updegraff, recording secretary; James Fullilove, corresponding secretary; Patrick Mackey, treasurer.

Kappa Sigma

Kappa Sigma had its beginning on the Tech campus on April 7, 1941, when Omega Kappa, a local fraternity formed in 1928, was given a charter and installed as the Epsilon Gamma chapter of Kappa Sigma. The fraternity's colors are scarlet, white, and emerald green, and its flower is the lily-of-the-valley.

The high ideals of the men of Kappa Sigma are shown by the positions of leadership held on campus by several members, by the outstanding scholastic record, and by the administration of service projects.

In addition to the regular open houses and parties after the home football games, Kappa Sigma social activities include a spring formal, State Fair, Christmas and Hawaiian parties.

Officers for the fall semester were Bert Moore, grand master; Bill Duncan, grand procurator; Philip Jung, grand master of ceremonies; Gary Gordon, grand scribe; and Hardley Leavell, grand treasurer.

Lambda Chi Alpha

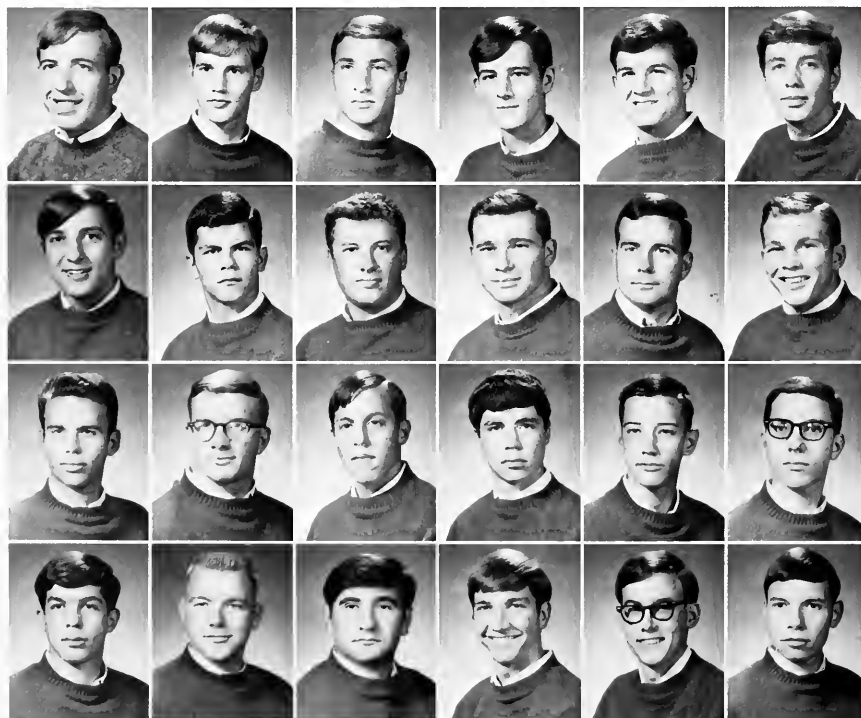

Theta Psi Zeta chapter of Lambda Chi Alpha, the oldest national fraternity on the Louisiana Tech campus, was installed on April 1, 1925.

Built of fine leadership and character, Lambda Chi Alpha stresses scholarship and this year has begun a new scholarship program. The fraternity is built on twelve ideals, the importance of which are stressed in pledge education during the semester.

The social agenda includes such parties as the Christmas Formal, the Easter egg hunt for the Ruston State School, the Spring Formal preluded by a South Sea Island party, and State Fair Weekend.

Officers for the fall semester were Don Dalton, president; Herbert Reeves, vice president; Merle Tanner, secretary, and Gary Lee, treasurer.

Pi Kappa Alpha

The men of Pi Kappa Alpha are dedicated to the belief that the highest goal of a fraternity should be the development of the whole man. With this thought in mind, Pi Kappa Alpha takes an active part in all campus activities. Pikes have excelled in such varied activities as intramural sports, student government, Sing Week, and Greek Weekend.

A full social season is climaxed in the spring by the Black and White Formal, at which the Dream Girl is crowned.

Associated Women Students

All Louisiana Tech coeds are members of the Associated Women Students, commonly known as the AWS. The AWS, the largest women's organization on the campus helps promote unity and fellowship among women students and provides worthwhile activities.

The AWS Board plans activities and projects that will benefit the women students. The Junior Counselor program, the Student Life convocation and the Dean of Women's Tea are included in their fall projects. Competition for the Best Dorm award is directed by AWS. Selected on the basis of scholarship, thirty women carry the traditional Daisy Chain at the AWS Spring Installation ceremony.

The purpose of the Campus Women's Council is to unite the governing bodies of the dormitories so that problems may be recognized by a specific organization and so that the residents of the dormitories may become more closely associated and participate in more cooperative enterprises.

Each year the CWC publishes a booklet, "To Do and Not To Do," which contains the rules and regulations of the women's dormitories.

Annual activities sponsored by the CWC are a Mothers' Weekend coffee, a Christmas Pajama Party for all dormitory women and a May Day breakfast.

Student Senate

The college year 1966-1967 has been a year of numerous events and changes for the students at Louisiana Tech, with many of them accomplished by the Student Senate, the student governing organization.

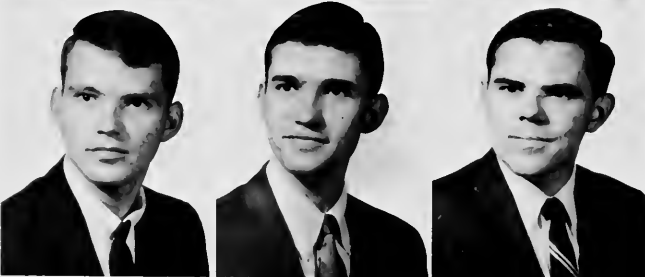

Among the activities which have both streamlined the actions of the Senate and have benefited the student body have been the revisions of the student body constitution; the monthly luncheons with President F. Jay Taylor; the approval of student organization charters; functioning of student members on the college discipline committee; the operation of the student loan program; sponsorship of the Tech cheerleaders, class elections and assistance in the publication of the student directory.

Student Union

The Student Union is a service organization formed to provide an appealing social program for the students. Twenty-three members comprise the Student Union, one representative from each fraternity and sorority and ten independent men and women students. The Student Union meets weekly to plan its activities for campus functions.

Wednesday night movies in Howard Auditorium, the Merry Mix-Up dance for the freshmen, and various other dances are scheduled by the organization. Among the major social events the Student Union sponsors during the year are the all-campus Christmas and Spring Formals, the Campus Carnival, Freshman Honor Banquet, and the appearance of several famous entertainers.

First Row: Patricia Stroud, president; Carla Taylor, vice president. Second Row: Lynn McGee, secretary; Barbara Kendrick, treasurer; Johnnie Lipscomb, reporter.

The Women's Recreational Association offers to the women students on and off campus a variety of activities to participate in during their leisure time.

As each organization participates in the various sports, they receive points. Extra points are given for first, second, and third place winners of each tournament. Each year at an honors convocation, the organization which has displayed outstanding participation, interest, leadership and the ability to win is presented a trophy.

The climax of the women's intramural program is the Louisiana Federation of College Women's Recreational Association weekend held at Bunkie each year. Girls who have participated in at least seven different tournaments are eligible to go.

WRA members look over score sheet in the Women's Gym.

Christian Science Organization

The purpose of the Christian Science organization is to afford the college community the opportunity of learning about Christian Science; to welcome Christian Scientists entering the college and to unite them in closer bonds of Christian fellowship; to hold regular weekly testimony meetings; to sponsor at least one Christian Science lecture on the campus during the academic year and to cooperate whenever possible with other student religious groups and with college authorities in participating in projects that promote inter-religious interest.

Officers of the organization are Wallace Dingee, president; Diane Blanchard, reader; Mike Collins, secretary.

Christian Student Center

Devotionals twice a week help achieve the goals of the Christian Student Center.

The Church of Christ Christian Student Center was organized in September, 1963. Its primary objective is to assist the students in strengthening their spiritual growth and Christian leadership. This objective is achieved through bi-weekly devotions, informal fellowships and Bible study courses.

Officers are Mike Watkins, chairman; Margaret Adair, co-chairman, and Alona Binford, secretary-treasurer.

Baptist Student Union

The basic objective of the Baptist Student Union is to lead each person of the academic community into a maturing Christian experience. To achieve this objective, the Tech BSU develops a concern for evangelism and missions to build a stronger personal spiritual life, to train the members of the community for Christian leadership, and to provide opportunities for Christian fellowship and recreation.

Among the many activities designed to accomplish this objective are a pre-school retreat, daily chapel services, Bible study, Missions Emphasis Week and recreational activities.

Engineers'

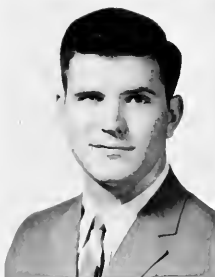

MISS GINGER BREWTON
Queen

The Louisiana Tech Engineers' Association is composed of all the students in the School of Engineering. Its governing body is made up of four executive officers selected by popular vote of the entire group, plus the president, vice-president, and one delegate from each of the six departmental organizations—AIChE, ASCE, IEEE, SIE, SPE of AIME, and the editor of the Louisiana Tech Engineer.

The association was formed in 1934 for the purpose of promoting interest and a spirit of friendship in the School of Engineering, as well as acquainting prospective students with the engineering profession.

Engineers' Day is the highlight of the year's activities. It involves both group and individual projects and exhibits with prizes being awarded for the best of these. The crowning of the queen and presentation of various faculty awards culminates the day's activities.

MARIANNE McFARLAND ... President
 SUSIE MAYS Vice President
 JANE BODDIE Secretary
 MARY COFFEY Treasurer

Alpha Tau Delta is an honorary organization established for the purpose of recognizing 20 senior women who have excelled in scholarship, citizenship, and leadership. It was founded on the Louisiana Tech campus in 1955. Members are selected each fall and spring, and an initiation banquet is held in their honor.

Alpha Tau Delta, a service organization, seeks to promote the three characteristics stated as qualifications for membership. Among its many and varied projects are a tutoring program for students in English 101, a Christmas party for foreign students, ushering at concerts, publishing a school calendar of organizational meetings for the faculty, and the Junior Counselor party. This year several new projects which emphasize scholarship are being considered.

The Society of Industrial Engineers was founded in 1958. It has maintained an active background at Louisiana Tech in an effort to increase the participation of the Industrial Engineering Department in all school functions.

Purposes of the society are to promote the students' interest in industrial engineering, to promote a better understanding and cooperation between students and faculty, and to generate and maintain a high esprit de corps among I. E. students.

THE TECH COLLEGIANS

Personalities

Who's Who in American Colleges and Universities

JUDITH ANN ADAMS, a mathematics major, is a member of Kappa Delta sorority in which she served as pledge class secretary and chaplain. She was junior class woman's senator last year.

JUDITH KAY AUSTIN, an elementary education major, was elected to the State Fair Court and served as WRA state treasurer. She was the Mechanical Engineers' Queen and a 1966 Lagniappe beauty.

DAVID C. ANDREWS, majoring in chemical engineering, is a member of Phi Kappa Phi and Tau Beta Pi. He is secretary-treasurer of the American Institute of Chemical Engineers and vice president of the Engineers' Association.

Members of Who's Who Among Students in American Colleges and Universities are chosen on the basis of scholarship, character, leadership, extracurricular activities, and school citizenship.

The various campus organizations nominate outstanding men and women students. From these nominations a student committee selects those to appear in Who's Who.

These students will have their names published in the volume, "Who's Who Among Students in American Colleges and Universities."

WILLIAM LEON BARMORE, majoring in history and physical education, has been a member of the Louisiana Tech varsity basketball team for four seasons. He was top scorer for the Bulldogs last year and was named to the second all-GSC squad.

BARBARA JANE BODDIE, majoring in chemical engineering, is a member of Alpha Chi Omega sorority, Phi Kappa Phi, Alpha Tau Delta, and the American Institute of Chemical Engineers. She holds the women's badge for Tau Beta Pi.

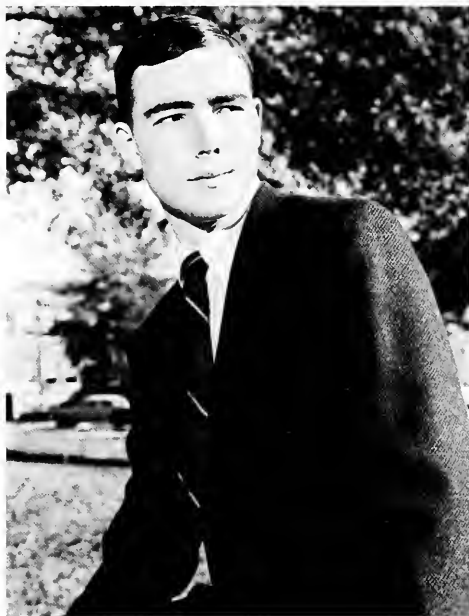

JAMES GORDON BOZEMAN, majoring in chemical engineering, holds membership in Tau Beta Pi, Omicron Delta Kappa, and Phi Kappa Phi. A member of the Tech band for four years, he received the outstanding junior and senior awards in chemical engineering from the Dow Chemical and Humble Oil Companies, respectively.

GEORGE DENNIS BROOKS, majoring in mechanical engineering, is a member of Tau Beta Pi and Omicron Delta Kappa. He has served as president of Phi Tau Sigma and commander of the ROTC. He is in the Arnold Air Society.

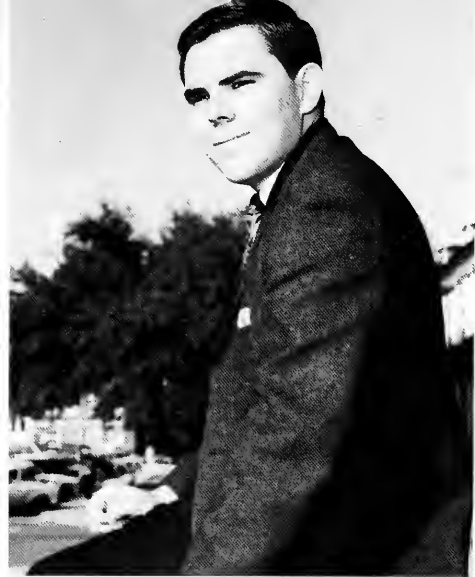

WILLIAM LUTHER BROWN, majoring in chemical engineering, holds membership in Omicron Delta Kappa, Tau Beta Pi, Pi Kappa Alpha and the American Institute of Chemical Engineers. He received the Dow Chemical Award during his junior and senior years.

ZELLA FAYE BROWN, a social studies education major, is president of the Associated Women Students and has served as secretary of the AWS and CWENS. A member of Alpha Chi Omega, she was elected to the State Fair and Homecoming courts.

MICHAEL REED BURGE, majoring in civil engineering, is the senior class president. He is a member of Tau Beta Pi and Omicron Delta Kappa. He has been on the scholarship list every semester.

ANSEL HOWARD COWAN III, a history major, is a senior man senator and serves as chapel director of the Baptist Student Union. He holds membership in Phi Kappa Phi and Phi Alpha Theta.

DONALD ALLEN DALTON, majoring in mechanical engineering, is a member of Omicron Delta Kappa and Lambda Chi Alpha, which he has served as president. He was treasurer for the Interfraternity Council and chief justice of the Interfraternity Tribunal.

GALE DANIELS, an accounting major, is a member of Kappa Delta, the Debate Club, Harper Honor Council, and the Accounting Club. She is on the varsity debate squad and was elected to carry the Daisy Chain her freshman year.

DEANNA DAVIS, a home economics major, is a member of Alpha Chi Omega, Campus Women's Council, Panhellenic Council, and Angel Flight. She served as ROTC sponsor for three semesters and was elected Delta Sigma Pi Rose.

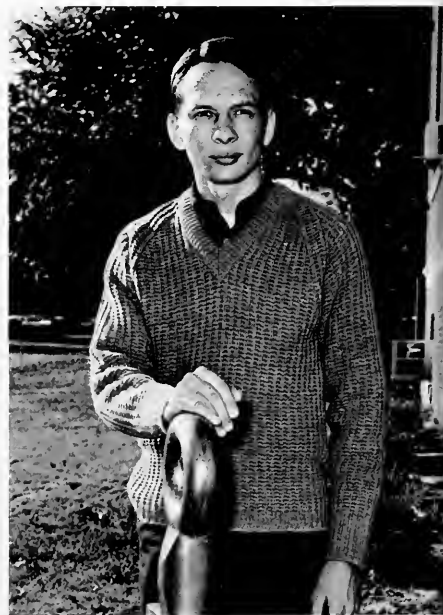

MARION KAY ENLOE, majoring in business education, is a member of Kappa Delta, which she served as vice president, secretary, and pledge president. She is vice-president of Harper Hall and is a member of Alpha Tau Delta and Campus Women's Council.

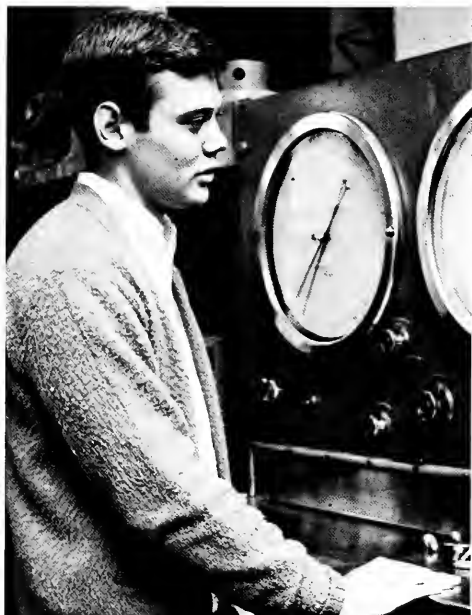

Who's Who 1967

GEORGE JAMES FULLER, an accounting major, is a member of Delta Sigma Pi and Omicron Delta Kappa. He is affiliated with the Lambda Chi Alpha fraternity.

ALAN CHARLES GRAVEL, majoring in civil engineering, is president of the Baptist Student Union. He holds membership in Tau Beta Pi and Omicron Delta Kappa. He has been in debate for four years.

DANIEL WEBSTER GRAY, majoring in civil engineering, has served as secretary of the Engineers' Association, program chairman of Circle K, and promotion chairman of the Baptist Student Union. He is a member of Omicron Delta Kappa and the tennis team.

M. PHIL GUTHRIE, majoring in accounting, holds membership in Omicron Delta Kappa, Phi Kappa Phi, and the Men's Dormitory Council. He has served the Accounting Club and Delta Sigma Pi as president, and Beta Gamma Sigma as vice president.

ANN RAE HARDIN, majoring in Spanish and English, is a member of Alpha Tau Delta, Phi Kappa Phi, Sigma Tau Delta, and Angel Flight. She served as senior senator and corresponding secretary of the Student Union.

JAMES D. HENGSTENBERG, majoring in political science, has served his fraternity, Alpha Tau Omega, as president and vice president. He is a member of Omicron Delta Kappa, the Philosophical Society, and ROTC.

HALL RENFRO HOWARD, majoring in pre-medicine, has been a member of the varsity baseball team for three seasons. He has served as president of Wesley and vice president of Pi Kappa Alpha. He holds membership in Omicron Delta Kappa.

HOWARD RAY JONES, majoring in philosophy, is a member of Omicron Delta Kappa. He has served on the executive council of Wesley Foundation, and has made the scholarship list each semester.

PHILIP OWEN JUNG, majoring in chemical engineering, is a member of the American Institute of Chemical Engineers and the American Chemical Society. He has held several offices in the Westminster Fellowship and Kappa Sigma fraternity.

JOHN MORGAN KASCHAK, majoring in mechanical engineering, is a member of Pi Tau Sigma, Tau Beta Pi, Omicron Delta Kappa and Sigma Nu fraternities. He served as commander of the Arnold Air Society this year.

MARY KATHRYN KITE, majoring in English education, is a member of Phi Mu sorority, Campus Activity Board, Campus Women's Council, Student Louisiana Teachers' Association and Panhellenic Council. She has served as a senator in the Student Senate.

HELEN MARCIA McBRIDE, majoring in English education, has served as president, chaplain, and standards chairman for Phi Mu sorority. She holds membership in Alpha Tau Delta, Phi Kappa Phi, Campus Activity Board, Panhellenic Council and Student Louisiana Teachers' Association.

FRANK T. MERCER, majoring in physics, holds membership in Phi Kappa Phi, Omicron Delta Kappa, Pi Sigma Pi, and the Circle K Club. He is a member of the Men's Glee Club.

JOHN SAMUEL O'DONNELL, majoring in accounting, was elected cheerleader and Student Senate treasurer. He holds membership in Kappa Sigma, Phi Kappa Phi, Beta Alpha Psi, and Delta Sigma Pi. He has been on the scholarship list every semester.

SHIRLEY FAYE PORTER, majoring in home economics, has served as president, secretary, and state council member of the Home Economics Club. She has received the Martha Condra and Helen Graham Awards. She was treasurer of CWENS.

Who's Who 1967

MARION M. RUNDELL, majoring in chemical engineering, is a member of Circle K, Sigma Nu fraternity, Tau Beta Pi and Omicron Delta Kappa. He has received the Pittsburgh Plate Glass Scholarship and the Outstanding Scholar Award from Sigma Nu.

LEON ALLEN STAMM, majoring in civil engineering, served as comptroller of Arnold Air Society and senior man senator. He holds membership in the Baptist Student Union and the American Society of Civil Engineers.

EDGAR ALLEN TUTEN, a business education major, is a member of Beta Gamma Sigma and the Society for the Advancement of Management. He has served as vice president of Tau Kappa Epsilon fraternity.

CAROL JEAN WAGGONNER, majoring in elementary education, has served as Sigma Kappa sorority president, Junior Panhellenic delegate, and vice president of the pledge class. She holds membership in Phi Kappa Phi, Alpha Tau Delta, Angel Flight, and Campus Activity Board.

Bulldogs Traveled A Rough Road

Members of the Tech football coaching staff are Head Coach Joe Aillet and Assistants George Doherty, Jim Mize, Huey Williamson, E. J. Lewis and Lee Hedges. Not pictured are Trainer Glenn Tilley and Sports Information Director Jack Fiser.

Louisiana Tech, playing the toughest schedule ever faced by a Gulf States Conference team, had a disappointing 1966 football season, winning only one of 10 games and finishing in a tie for fifth in the GSC with a 1-4 mark.

The Bulldogs played eight road games and only two at compact Tech Stadium and the caliber of the opposition was top-notch. Included were major-college powers Southern Mississippi and Alabama and nationally-ranked small-college teams Northwestern State and Arkansas State plus the arch-rival league clubs.

The Techmen set a conference record for attendance, playing before an estimated 163,700 fans in ten games. A crowd of 65,000 watched the Alabama game in Birmingham and 25,000 fans attended the Tech-Northwestern contest at the State Fair in Shreveport.

Tech's stumbling block during the season was an offense which failed to click at the right times. It wasted many good scoring chances and put the pressure on the defensive unit, which played fairly well most of the campaign. The Bulldogs scored a total of 83 points as compared to 205 for their foes.

Above: Tech's tri-captains for the season were defensive back Jim Stringer of Vidalia, offensive center Paul Clark of Shreveport and linebacker Bob McKinnon of Junction City, Ark.

Left: It was a trying year for Head Coach Joe Aillet, the man who has guided Tech's football fortunes for 26 years. The 1-9 record marked only the third losing team under Coach Aillet in that time. His teams have won or tied for the league title 13 times and finished second seven times.

Southern Miss. 14 La. Tech 0

Southern Mississippi, always among the nation's leaders in defense, limited Tech to 68 yards total offense and took a 14-0 victory over the Bulldogs in the season opener at Hattiesburg.

Both of Southern's touchdowns came in the first half. Fullback Milo McCarthy rambled over from 10 yards out late in the first quarter and scored a second time on a one-yard run with 35 seconds left in the half. George Sumrall kicked the PAT's.

The Canines managed only seven yards rushing against the super-tough General defense and fared little better in the air with 61 yards. The Tech offense was hampered by a slight rain during the second half.

Tech's defense stood out despite the loss, forcing the Southerners to give up the ball on downs deep in Bulldog territory twice.

The deepest thrust into Southern ground carried the Techmen to the General 25 in the third quarter.

Southern quarterback Glen Bynum was the game's leading offensive star by picking up 103 yards in 14 carries. McCarthy gained 91 yards in 17 tries. Fullback Richie Golmon led Tech with 21 yards on nine attempts.

Defensive back Tom Croft made one of the season's top plays when he fought off a blocker to bring down Alabama's vaunted fullback.

"I think if that gentleman over there had these people over here, he certainly would have done a more convincing job than I got done."

The speaker was Alabama's famed head football coach Paul (Bear) Bryant and his subject was Louisiana Tech coach Joe Aillet. The comment was made moments after the powerful Crimson Tide had upended Tech, 34-0, in Birmingham, Ala.

Alabama, considered by many as the nation's best collegiate football team at the end of the season, had its troubles with the gallant Bulldogs and for the first quarter, Tech forced the issue.

But a 32-yard pass from Ken Stabler to Dennis Homan opened the scoring for the Tide in the second quarter and the gates swung wide. Alabama scored four more touchdowns on Stabler's 7-yard run, a 78-yard pass from Stabler to Homan, and two short runs by Hal Moore.

Quarterback Phil Robertson of Tech gave a great performance in defeat, passing for 183 yards on 14 completions in 35 aerials. Leading receivers were Robert Brunet with 5 for 62 yards and Ken Liberto with four for 40.

Tech had four passes intercepted and three led to Alabama touchdowns.

McNeese 10 La. Tech 7

McNeese opened the Gulf States Conference season by shocking Louisiana Tech, 10-7, in Ruston to mark the first Cowboy win on the Bulldogs' home field in seven tries.

The Cowboys took a 3-0 lead in the second quarter on David Poche's 42-yard field goal which would eventually wind up as the deciding points in the contest.

The score remained that way until the final play of the third quarter when McNeese quarterback David Bourgeois combined with end Frank Miller on a 65-yard touchdown pass and Poche converted to make it 10-0.

The Techmen fought back and cut the margin to 10-7 when quarterback Phil Robertson hit flanker Jim Jones with a 38-yard touchdown pass early in the fourth quarter. Speedy Campbell kicked the PAT. It was the first score of the season for the Bulldogs.

Tech made a last-ditch attempt to win the game by driving from its own three to the Cowboy 45 before an interception killed the threat.

Bulldog quarterbacks Robertson and Terry Bradshaw hit on 17 of 33 passes for 195 yards with flanker Tommy Spinks leading the receiving by catching four for 57 yards. However, four interceptions stymied the Tech offense.

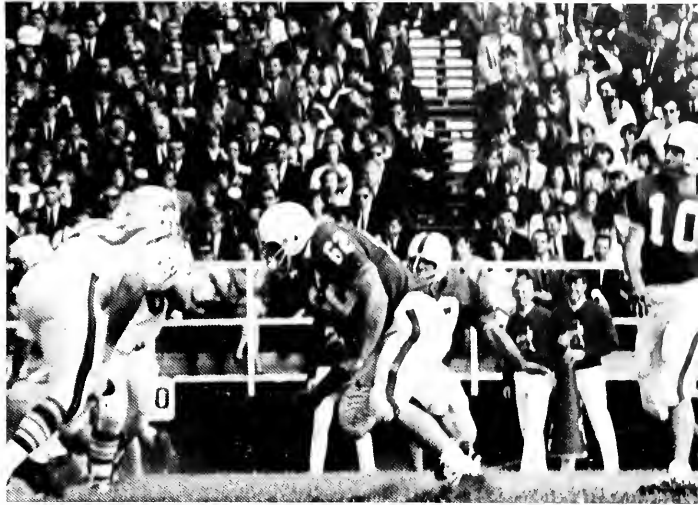

Arkansas State 26 La. Tech 13

Louisiana Tech's football fortunes seemed to take a turn for the better when Richie Golmon returned the opening kickoff against Arkansas State 94 yards for a touchdown. But moments later, Dick Ritchey took the ensuing kickoff 85 yards for a score and from then on, it was the Indians all the way as they took a 26-13 triumph in Jonesboro, Ark.

Arkansas State, ranked among the nation's top small-college teams, went on to score three straight touchdowns after the kickoff exchange. Halfback Terry Gwin got two on a 78-yard run and a five-yard pass.

Tech's second touchdown came late in the game on a 17-yard pass from Phil Robertson to freshman end Larry Brewer.

The Bulldog offense stumbled again, fumbling eight times and losing four. Arkansas State intercepted two passes. Tech quarterback Terry Bradshaw accounted for 85 yards passing. Gwin led the Indian attack by picking up 115 yards rushing.

Sophomore quarterback Phil Robertson throws against Southeastern. Brilliant at times during the campaign, Robertson hit on 90 of 205 passes for 1,011 yards and four touchdowns. Freshman Terry Bradshaw completed 34 of 81 for 404 yards. Robertson led the Bulldog total offense with 864 yards.

Canines Shocked in GSC Opener

Linebacker Joe Peace, the spearhead of the Tech defensive unit, corrals a McNeese halfback as Mike Lynch approaches.

Richie Golmon kicks one of his two field goals in the 13-6 win over Southeastern. The junior fullback led the Bulldogs in scoring with 26 points collected on two touchdowns, two PAT's and four field goals in seven tries.

Southwestern 21 La. Tech 12

Southwestern Louisiana took advantage of Louisiana Tech mistakes and put the passing game to good use in tripping the Bulldogs from Ruston, 21-12, at Lafayette.

Tech didn't score until the third quarter when safety Jim Stringer scored on a 76-yard punt return and then added six more points in the final period when halfback Eddie Taylor scored on a four-yard run.

USL got its touchdowns in the second and third cantos as quarterback Bill Bayard accounted for the club's first score on a two-yard run. End Leonard Kleinpeter snagged a 33-yard pass from Bayard in the second period and halfback Gerald Landry added the final tally on a one-yard jaunt in the third stanza.

Tech got 116 yards passing and 86 yards rushing while Southwestern accumulated 175 yards on the ground and 85 via passing.

Northwestern 28 La. Tech 7

Northwestern State used a Louisiana Tech specialty—the passing game—to whip the Bulldogs 28-7 in the annual State Fair football classic at Shreveport.

The Demons, who were to later go undefeated in nine games and win the Gulf States Conference, wrecked the Canines' defensive unit with a deadly aerial attack that piled up 281 yards.

NSC also capitalized on two fumble recoveries and a pair of interceptions to win the traditional gridiron battle that had been won by Tech for the past three years.

Ends Louis Richard and Steve Gaspard got two of the Demons' tallies on passes of seven and 34 yards respectively. Short yardage jaunts by Russ Gielow and Barry Fresh accounted for the other two scores.

Tech's lone score came on a two-yard smash by halfback Eddie Taylor, who was the leading ground gainer for his team with 58 yards on 14 carries.

Quarterback Phil Robertson sets his team at the Tech-Northwestern game played at the State Fair in Shreveport before a crowd of 25,000 people.

Tenn. Tech	21
La. Tech	9

Finding Louisiana Tech's pass defense somewhat stingy, Tennessee Tech resorted to their ground attack in taking a 21-9 victory over the Bulldogs at Cookeville, Tenn.

The Eagles rolled up 250 yards rushing, but could garner only 72 through the air. All of the winner's scores came via running, while the Bulldogs put together a seven-yard run by halfback Eddie Taylor and a 35-yard field goal by fullback Richie Golmon for their tallies.

Frank Sorrells accounted for the Eagles' first touchdown on a nine-yard run, while Terry Parks and Joe Raleigh turned off TD runs of one and five yards.

Taylor led Tech's puny ground game with 77 yards, one more than the entire Tech net rushing total. Freshman quarterback Terry Bradshaw completed seven of 15 passes for 102 yards in subbing for first-string signal caller Phil Robertson.

It was Bradshaw who directed the club's only sustained drive that came following the kickoff. The hard-throwing lad hit Taylor and flankerback Jim Jones on passes of 22 and 10 yards, with Taylor bullying over from the seven for the score.

Ronnie Brown and Wayne Gray of the Tech defensive unit put the stop to a Southeastern ball carrier. It was this kind of play which enabled the Bulldogs to take a 13-6 victory and satisfy the homecoming crowd.

Eddie Taylor gets good blocking and scoots through a hole against Northeast. Taylor was the outstanding offensive performer for Tech, picking up 434 yards rushing in 107 carries and breaking the 100-yard barrier once.

La. Tech 13 Southeastern 6

That thing called victory finally found its way to Louisiana Tech's football team after seven long games, as Southeastern Louisiana fell 13-6 before a happy homecoming crowd of 10,000.

Freshman quarterback Terry Bradshaw completed 15 of 31 passes for 156 yards and fullback Richie Golmon booted two field goals in sparking the Bulldogs' offensive attack.

Tech got most of their total offense yardage from their respected passing game. The Bulldogs rolled up 167 yards by throwing and 59 running.

Freshman flankerback Tommy Spinks caught seven passes for 81 yards and end Ed Walker, playing his first game of the season since a neck injury in pre-season workouts, snagged for 39 yards to lead the Bulldog pass receivers.

Once again, halfback Eddie Taylor was the club's leading ground gainer, picking up 26 yards on 16 carries.

Golmon accounted for Tech's first two scores on field goals of 33 and 40 yards in the first period. Halfback Robert Brunet got the team's other tally on a one-yard jaunt in the second canto.

Southeastern's lone score came on a six-yard run by quarterback David LeSage in the final period.

Tech's alert defensive team came up with five interceptions and two fumble recoveries.

Tom Croft and Bob McKinnon put the stop to a Southeastern ball carrier.

La. Tech	16

After celebrating their homecoming with a victory, Louisiana Tech turned right around and furnished Lamar Tech with a win before the grads by falling 31-16 to the Cardinals in Beaumont, Tex.

But the Bulldogs didn't fall before putting up a good fight. It was all tied up 10-10 at halftime before the home club rolled up 21 points during the second half to cart away the win. Tech played on even terms with the Texas team throughout the first half and held a slim advantage in total offense. The Bulldogs had 278 yards total offense, while the Cardinals mustered 271.

Halfback Eddie Taylor accounted for 106 of the 109 yards Tech got by running. He rushed 14 times and turned off a two-yard scoring play in the second period.

Fullback Richie Golmon got the club's first tally on a 35-yard field goal in the first canto, while quarterback Phil Robertson hit flankerback Ken Liberto with a seven-yard pass in the final period.

Northeast 14

La. Tech 6

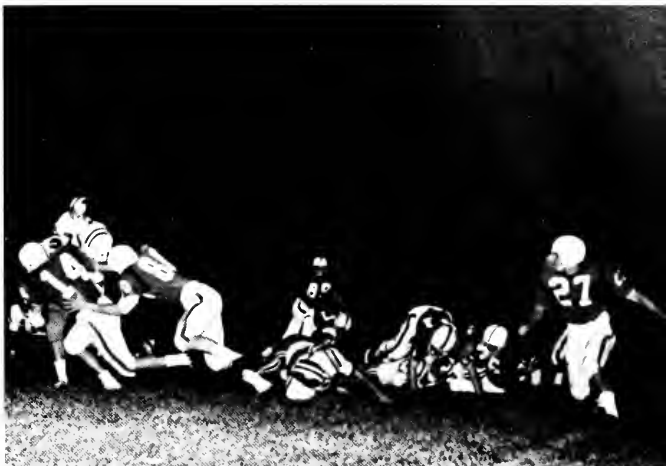

A long season came to an end for Louisiana Tech's football team as they dropped a 14-6 decision to arch-rival Northeast State in Monroe.

Tech's lone score came in the final period when fullback Richie Golmon took a nine-yard pass from quarterback Phil Robertson. A two-point conversion in the fourth quarter which would have put the Canines ahead failed as Robertson was downed at the two-yard line.

Halfback Alton Thomas accounted for both of State's two touchdowns on an eight-yard jaunt and a 73-yard scamper.

Leading Tech's ground attack was halfback Eddie Taylor, who got 30 yards. End Ed Walker caught seven passes for 83 yards and Robertson completed 13 of 26 for 157 yards to spark the passing game.

Northeast got 228 yards rushing, but could get only seven via passing. Tech had 157 yards passing.

Tom Croft and Speedy Campbell, two senior members of the defensive unit, combine to halt the McNeese fullback in the Cowboys' 10-7 victory over Tech.

A Great Club — GSC Champions

SCOTTY ROBERTSON
GSC Coach of the Year

Louisiana Tech fielded one of its greatest basketball teams in 1966-67, a club which posted an overall record of 19-7, captured the Gulf States Conference championship by winning 11 of 12 league games and capped its season with an entry in the NCAA college division tournament.

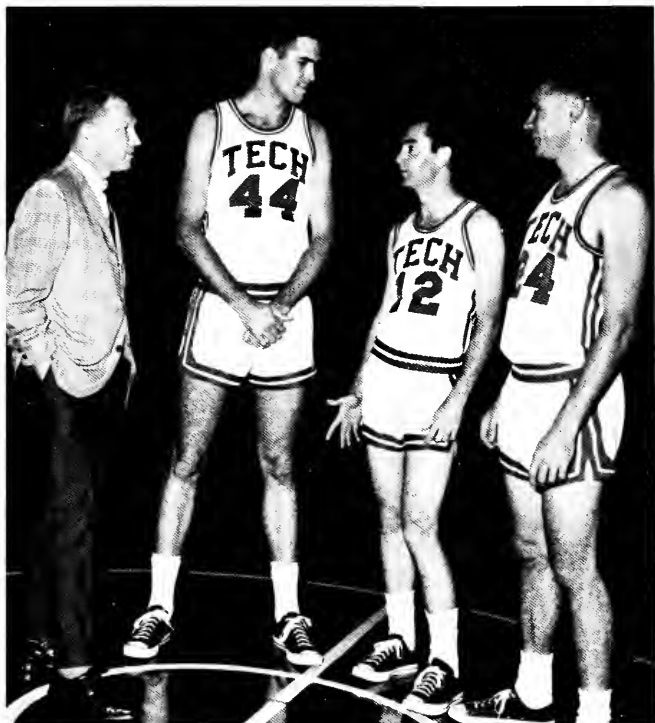

The brilliant campaign was a climax to Coach Scotty Robertson's first three years at the Bulldog helm. His first two teams went 11-11 and 14-11 and the 1966-67 group started slowly. Then the Canines began to move and went on to Tech's first outright championship since 1958-59 although the 1963-64 club shared the crown.

Great team balance and a strong bench were the chief trademarks of the 1966-67 Bulldogs. The starting lineup of centers Richard Peek and Charlie Bishop, forward Jon Pat Stephenson and guards Jim Pruett and Leon Barmore all averaged double figures and were a great defensive unit. Forward Malcolm Smith, center Tommy Gregory and guard Wayne Smith came off the bench numerous times to help win games.

Probably the biggest factor in Tech's march to the trophy room was a hidden one: pride and determination. Before the season started it was said that the Bulldogs faced the greatest challenge a Tech team ever had. It was met head-on. The result—a season which will be long remembered.

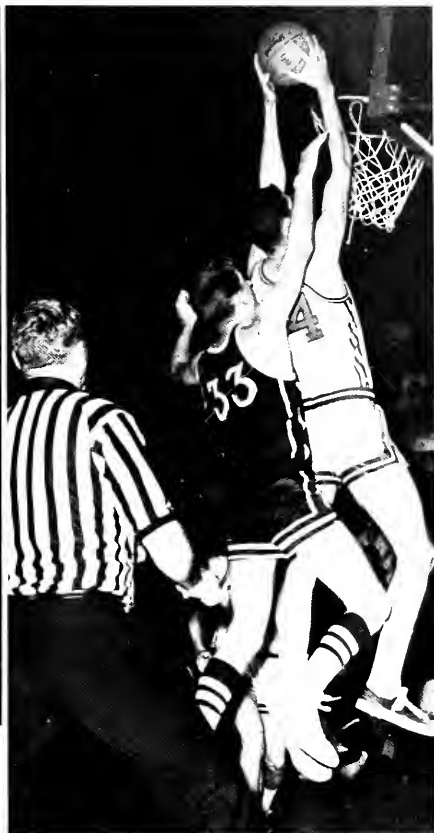

THE CHAMPIONS: (Kneeling) Mike Durham, Jimmy Stewart, Wayne Smith, Coach Scotty Robertson, Jim Pruett, Leon Barmore, Jon Pat Stephenson, (Standing) Sammy Brewster, Billy Ray Stokes, John Whitmore, Bob Watson, Richard Peek, Charlie Bishop, Tommy Gregory, Malcolm Smith, James Moore.

* Gulf States Conference game
#Shreveport Holiday Classic

The Bulldogs discuss the game situation as trainer Glenn Tilley watches from behind.

Tech's starting guard tandem of Leon Barmore (left) and Jim Pruett was small, but made up for their size with great shooting and plenty of hustle. Barmore, a senior from Ruston, was the Bulldogs' leading scorer with 15.5 points per game. He averaged 13.3 in GSC play. Leon's game high was 29 against Southern Mississippi. He reached the 1,000-point mark in his career midway in the season. Pruett, a junior from Shreveport, completely recovered from a knee injury to average 11.0 points per game. He was a tremendous defensive player and drew a top scorer almost every time. The shooting ability of these guards was in evidence in the two wins over Northeast as they bombed in an average of 18 points from the outside. Pruett hit a career high of 22 in the title-clincher against the Tribe.

Barmore shoots a short jumper against Southwestern.

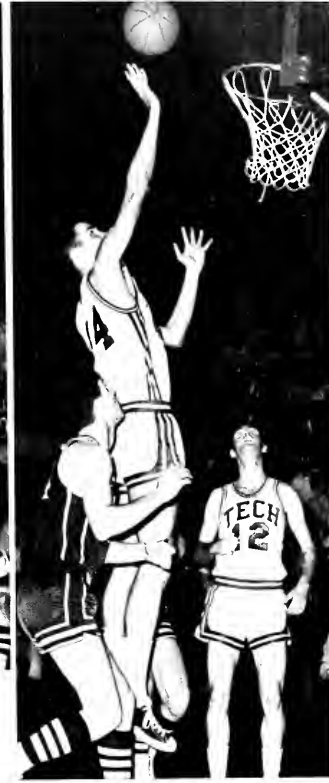

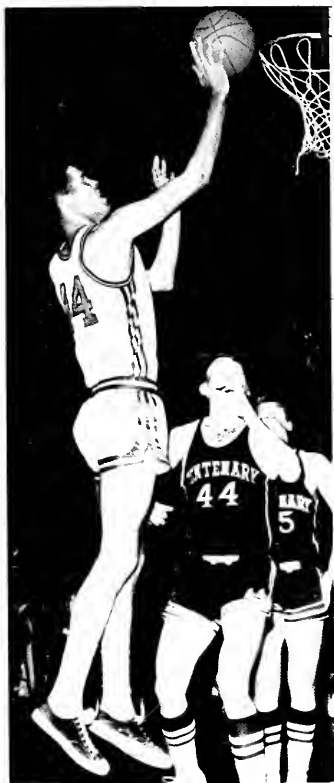

Pruett drives past a Centenary man for a hard-earned basket.

A Slow Start

Tech started the season by beating Texas A&M, 53-50, at College Station, then returning home to trounce Henderson State. But the Bulldogs ran into trouble against Southeastern Conference foes and were downed by Alabama and Auburn in road games, each by 11-point margins. Mississippi State and Ole Miss came to Ruston and both took 17-point decisions.

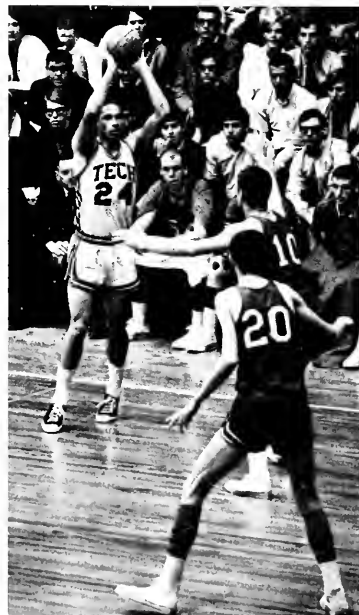

The Canines opened Gulf States play by bouncing Nicholls State, 97-92, in Thibodaux as Jon Stephenson scored 24. Tech took third in the Shreveport Holiday Classic, beating Centenary in the consolation game after losing to Morehead State in the first round. Barmore was named to an All-Tourney team for the second year in a row.

It was easy going all the way against Centenary in Ruston. Richard Peek buckets one, Barnmore glides through the air for a layup and Peek tips in another basket as Tech worked to a 112-93 triumph. It tied the highest point total ever scored by a Bulldog team.

Jon Pat Stephenson of Shreveport and Richard Peek of Pensacola, Fla., were two key seniors for Tech. Stephenson was the inspirational leader, a great defensive man and averaged 10.7 points per game with a high contest of 30 against Centenary. Peek, 6-foot-11, averaged 14.2 points and 11.0 rebounds per game overall, but led the club in those departments in CSC play with 15.5 and 12.8. His high game was 29 in a comeback win over Southeastern.

Stephenson looks to the inside against USL.

Seven-foot freshman Charlie Bishop burst upon the scene at Tech in spectacular fashion, averaging 14.6 points and 11.3 rebounds per game. He scored 30 points against Northwestern and 29 in a game with Southeastern. Bishop set a new school rebound mark by grabbing 33 against Centenary.

Bishop battles for a rebound; Peek and Malcolm Smith look on.

Junior forward Malcolm Smith played the role of the "sixth man" this year after starting for two campaigns. He was the most versatile of the Bulldogs, playing forward, guard or center at various times. His high game was 14 against Louisiana College.

Record Set With 10 Straight Wins

Smith drives for a layup against Northeast at Monroe. The Bulldogs clinched at least a tie for the GSC title by downing the Tribe, 75-71, in Brown Gym as Smith starred.

Louisiana Tech entered the 1967 portion of the schedule with a 4-5 record. But the Bulldogs won 15 of their 17 games after the turn of the year and set a school record with 10 consecutive wins.

The first game of 1967 was at Southwestern where the Bulldogs took a 72-66 win in what may have been the most important victory of the year. Then followed a close triumph over Northwestern before the only GSC loss to McNeese in Lake Charles.

Then it was off to the races. Centenary went down in Shreveport and Southeastern, Louisiana College, Southern Mississippi and Nicholls State fell in rapid succession in a home stand. Another showdown with Southwestern in Ruston was at hand.

Tech won that thriller, 80-78, before 6,100 fans in Memorial Gym. Northwestern was beaten in Natchitoches and the Bulldogs easily avenged the loss to McNeese. Two key road victories were garnered, one over Southeastern in Hammond on a second-half rally after a 14-point halftime deficit, and the other at Monroe over Northeast.

The win streak was snapped in an overtime loss at Southern Mississippi, Barmore's last-second shot beat Louisiana College and the Bulldogs romped by Centenary. The GSC title was wrapped up with a close win over Northeast in Ruston.

Richard Peek finds himself surrounded by Northwestern Demons in a game which Tech won 66-64.

Billy Ray Stokes fires a shot, Bob Watson comes up.

Bob Watson, senior from Logan, W. Va., was an important bench man for the Bulldogs. "Big Bo" played sparingly, but his spirit was a big factor in Tech's winning the championship.

Billy Ray Stokes, senior from Yazoo City, Miss., missed a great deal of the year with a broken hand suffered against Ole Miss. He, like Watson, was a spirited member of the bench crew.

Center Tommy Gregory (left) and guard Wayne Smith were two of the top reserves on the strong Tech bench. Tom, a junior from St. Joseph, appeared in all 26 games and averaged about five points and rebounds per game. Smith, a freshman from Shawnee, Okla., was the most pleasant surprise for the Bulldogs. He played in 22 varsity games and wasn't even listed on the pre-season roster.

All 5-foot-10 of Wayne Smith displays his jumping ability in getting off this shot. Even at his size, Smith is capable of dunking the basketball.

Tommy Gregory lets go with a jump shot from the baseline on the left. At the right, he is helping Richard Peek battle a Northeast player for a rebound.

A Fast Finish

A great season was climaxed in the NCAA College Division Tournament Midwest Regional at Bloomington, Ill., where the Bulldogs split a pair of games.

Playing without freshman stars Charlie Bishop and Wayne Smith because of eligibility rules, the Techsters opened the tourney with a great team effort in upsetting vaunted North Dakota 86-77. But the Canines were eliminated from further competition by a red-hot host Illinois State club, 89-66. Leon Barmore was named to the all-tournament team.

Tech was the first GSC team to ever participate in a NCAA post-season tourney.

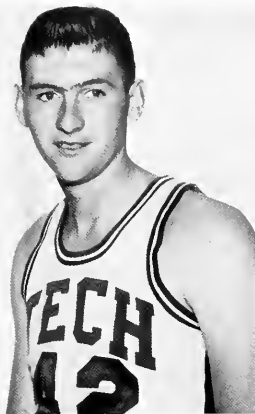

In the annual All-GSC selections, Coach Scotty Robertson was honored as "Coach of the Year." Barmore, Richard Peek and Jon Pat Stephenson were chosen to the All-GSC second unit.

Junior Varsity Has 9-10 Mark

Billy Wiggins, second leading scorer in Tech basketball history, returned to his alma mater this year to replace Don Landry as assistant and freshman coach. Landry moved to Nicholls State as head coach. Wiggins had spent 10 years as mentor at North Caddo High School where his team won the state Double-A title in 1965-66.

Louisiana Tech's junior varsity posted a 9-10 record for the season despite playing most of the year without help from several talented freshmen who spent their time with the varsity.

The Bullpups defeated Centenary three times, split with Northwestern and beat the Ole Miss freshmen.

The campaign was climaxed at the Junior Cotton Classic at Winnsboro where the young Techsters were runner-ups to Northeast, losing the final game in overtime.

Leading scorer for the Bullpups was Mike Durham with a 19.8 average. Other double figure men were Bud Dean with 12.2, Pete Schuler 10.6, and James Moore, 10.5.

Seven-footer Charlie Bishop played in only four jayvee games and averaged 18 points per contest. Wayne Smith, a varsity guard as a freshman, averaged 18.4 in seven JV tilts.

Great Comeback Effort Fell Short

Baseball coach Berry Hinton was named Gulf States Conference "Coach of the Year" in 1966. Southpaw pitcher George Stone was an All-GSC choice. He had a 5-4 record with a no-hitter against Northeast.

Louisiana Tech's 1966 baseball team made one of the greatest comebacks ever recorded in Gulf States Conference history, only to see it fall just short and the Bulldogs finished third in the pennant race.

Coach Berry Hinton's Canines won only four of their first 12 GSC games, but then caught fire and took five straight doubleheaders, including five shutout wins, and forged their way to the top of the league. However, a double loss to Nicholls on the last day of the season broke the string and Tech fell back to third.

The Bulldogs ended the GSC campaign with a 14-8 record and were 23-19 overall.

Three Techsters to hit over .300 in league play were Robert Marrus (.434), J. B. Martin (.400) and Randall Fallin (.309). Hinton also got steady play from infielders Rennie Howard, Billy Don Maples, Joe Albritton and Bill Duncan and outfielder Alden Reeves plus good pitching from George Stone (5-4), Ed Walker (3-3), Roger Slack (4-0) and Ronnie Bell (2-2).

Four standouts for Tech during the stretch run were pitcher Ed Walker, first baseman Rennie Howard, third baseman Bill Duncan and catcher Robert Marrus. Walker came on strong to finish with a 3-3 record. Howard was a fine defensive player and clutch hitter. Duncan was by far the best fielding third baseman in the league and Marrus led the loop in hitting with a .434 average. All but Walker were on the All-GSC team.

Above: Key performers for Tech were outfielder Randall Fallin and pitcher Ronnie Bell (top) and second baseman Billy Don Maples and outfielder Alden Reeves.

Two veterans and three freshmen combined to give Louisiana Tech a surprising second place in the Gulf States Conference cross country race at Lake Charles in the fall of 1966.

Southwestern Louisiana took the title with a low of 32 points, followed by Tech with 69, Southeastern 81, Northwestern 85, and McNeese and Northeast with 106 each.

Junior Brendan Minihan made the best showing by a Bulldog harrier by placing fourth behind three USL runners. Freshman John Kelly was eighth and junior Joe Comeaux 16th. Two other yearlings, John Pickering and Wayne McClane were 19th and 22nd, respectively. Other competitors for Tech were Wayne Delony and Randy Morgan.

The Canines were 4-4 in dual and triangular meets during the campaign, taking victories over McNeese and Alabama, Southeastern and Northeast twice. Losses were to McNeese, Arkansas State, Memphis State and Southern State.

Minihan was easily the outstanding performer as he won six of the nine races he entered during the season. Kelly placed in the top three in four meets and never finished below eighth.

Comeaux, Pickering and McClane spent the year alternating in being the third Bulldog to finish. Comeaux did four times, Pickering three and McClane two.

Track Team Climbed Up to Fifth

Dead last at the Gulf States Conference meet in 1965, the Louisiana Tech track team of 1966 climbed up one notch and claimed fifth place.

Southwestern Louisiana won the GSC title, followed by Northeast, Northwestern, Southeastern, Tech and McNeese in that order.

Hurdler Grey Easterling provided Tech's only first place in the GSC meet by winning the intermediate hurdles. He was also the top scorer of the year with 65 3/4 points.

Other top point producers were discus man Tim Hall, distance runner Brendan Minihan, high jumper Tommy Stinson, shot putter Aubrey Futrell, broad jumper Al Lawrence and sprinters Ronnie Broussard, Carr McClendon and Butch Daniel.

The Bulldogs did not fare well in dual and triangular meets, winning only one of seven. That victory was over McNeese.

One new school record was set in the mile relay where the team of Broussard, Daniel, Lynn Cavanaugh and McClendon ran a 3:16.7.

Golfers Slip to Fourth in League

Clayton Koschel

Ray Mulhern

The golf dynasty which Louisiana Tech has maintained over the rest of the Gulf States Conference slipped a bit in 1966 as the Bulldogs dropped to a fourth place tie with Northwestern in the league championship tournament in Lake Charles.

That meet, normally a 54-hole affair, was limited to 27 as heavy rains came after the first day's activity.

Winner of the conference crown for the second straight year was Southwestern with a total of 455, a two-stroke margin over McNeese. Northeast was third at 462, Tech and Northwestern tied for fourth at 472, Nicholls State was sixth at 473 and Southeastern in the cellar at 489.

Tech has won 10 of 14 GSC titles under Coach Joe Aillet, including two strings of five, running from 1953 to 1957 and from 1960 to 1964.

Ray Mulhern, a sophomore, was the leading player for the Bulldogs. He made the All-GSC squad by placing third, just four strokes off the winning score. In addition, he had the best season average for Tech with a 74.

Rick Hollan finished 15th in the conference tourney, Mike Robichaux was 17th and Clayton Koschel 25th.

Tech posted a 4-5 dual meet record with wins over Centenary twice, Northwestern and Southeastern.

Young Tennis Squad Takes Fifth

Louisiana Tech's tennis team, composed of one junior, two sophomores and two freshmen, did surprisingly well in dual matches, but finished fifth in the Gulf States Conference tournament.

Southeastern won the team title with 15 points, followed by Southwestern, Northeast, Northwestern, Tech, McNeese and Nicholls State.

The Bulldogs compiled an 8-3 dual match mark, including one stunning triumph over Northeast.

Junior Tommy Wynn and soph Luis Mantica accounted for the points in the league tourney. Wynn placed second in the number four singles and Mantica, who posted a 13-0 individual match record, was the winner in number five singles.

Two freshmen, Bill Keith and Steve Thurber, showed promise for the future. Keith went 6-7 in the number one singles spot while Thurber had a 10-3 record. As a doubles team, they won 10 of 12 and were top-seeded in the GSC tourney before being upset.

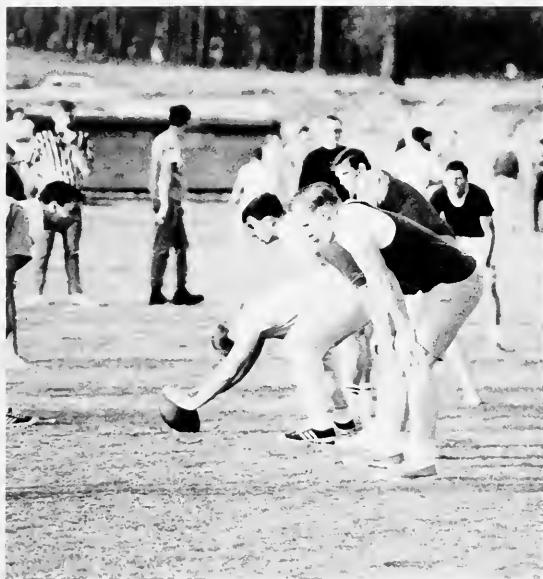

The other letterman was sophomore Don Austin.

Action is hot and furious in Tech's intramural sports program. At the left, two teams line up for touch football, while at the right two players are shown in a basketball game. Various organizations can participate in as many as 10 sports in a year.

PIKA Wins Intramural Title

For the second year in a row, Pi Kappa Alpha of the fraternity league captured the intramural championship with 2,848½ points.

Another fraternity league team, Tau Kappa Epsilon, took second place with 2,798½ points.

T Club's Joel Ward was named intramural "Athlete of the Year."

The PiKA's garnered two 1966-67 fall trophies and tied for another. They won the touch football and volleyball championships outright and tied with the TKE's and Kappa Sigma for the horseshoes crown.

Baptist Student Union took top honors in the cross country run.

Reigning as champions in 65-66 spring sports were Pi Kappa Alpha, table tennis and tennis; Baptist Student Union, basketball; Hustlers, softball; T Club, track and field, and Scalawags, pool.

Displaying the trophy for the intramural champs of 1965-66—Pi Kappa Alpha—are Hollis Downs and Freddie Stewart.
